**Please Join Us  
on April 22, 2017  
for a special day of  
celebration.**

Dear Haverford Parents:

There are many unique things we love about Havertown and Haverford Township. And one fundamental element includes family-friendly community events that benefit us all. It is springtime and we are looking forward to another great day for our annual ***Twilight 5K Run & Walk and One Mile Challenge***. The event is scheduled for **Saturday April 22, 2017**, and there are three special reasons to participate in this year's Twilight Run event:

**(1) In memory of Jane Greenspun.** A share of the proceeds from this year's Twilight Run and Walk are being dedicated to the *Jane McConnell Greenspun Memorial Technology Grant*. Jane Greenspun was the Director of Technology for the Haverford Township School District where she worked for the past 23 years. Jane was a unique presence in Haverford Schools, a person with a genuine desire to help. She left an indelible mark on the district, and this Grant, in her memory, will continue to support our creative and dedicated students for many years to come.

**(2) A 10-Year Celebration of Community.** This is the 10th Annual "Running" of this unique community event, and we are recognizing and celebrating the efforts of our community and thanking all of those who have participated over the last 10 years.

**(3) It is more than a run.** To recognize the contributions of Jane Greenspun to our School District, and to celebrate 10 Years of Support from our community this year's event will be more than just a run. Please stop by - even if you don't plan to run or walk - to enjoy the extra events and activities we have planned.

Across the country, school districts are cutting back. Options are disappearing and the creative outlets for students and teachers alike are fading, but not so in Haverford Township. We live in a community that supports its schools, a community that works together to enhance the learning environment for all of our students.

Since our inception in 2004, we have awarded over 180 grants that include innovative projects like: "*One School, One Book*", author visits and academic assemblies, robotics courses, math and reading learning centers, Manoa Morning News, Chestnutwold's TV Station, the Artist in Residence programs, audio books, 3D printing, and more!

To our knowledge, our annual ***Twilight 5K Run & Walk and One Mile Challenge*** is the only race in our area that not only provides a fun-filled afternoon for the family, but also supports local business, and helps strengthen our community, with a town-wide "after-race" event. Something we call "**Party on the Town.**"

We are asking for your support for the event and hope you will be a "**2017 family participant**" in our Twilight 5K Run & Walk and One Mile Challenge. We truly appreciate any support you can provide, and hope to see you on race day, **April 22, 2017!**

Sincerely,

Steve Durfee / President

Our mission: To fund innovative learning opportunities
